Shiramine, you wanna go to the summer festival with me?
Shiramine and the summer festival
I'm so excited!
Yay!
Why not I'm free on that day
I'm going out to have fun with Kuro-sawa
Could this be the first time...?
We do meet outside sometimes but that's it...

Mizuki
And why not just dress normally?
That's what I'll do.

Not this, not this either!!
I said yes without thinking... But is this really gonna be okay?!
And of course, I left my yukata at home!!

I'll ask them to send me your yukata too!!
Huh?
Well yeah, what's the problem? Moe's about 50 times as cute as I am anyway
I'll just have to serve as an accessory
And you, you intend to come in t-shirt and jeans, like nothing?!
Your Moe will be wearing her prettiest yukata, you know!

Machida and her friends are coming too?
Huh?

I will have you wear it!!
Besides I'm not even sure how to wear the thing

Okay, then, let's meet at upm.
Oh well...
Come on, I wanna talk to Sister Ayaka too!
No, you didn't.
What, didn't I tell you?
I had bought a new hair ornament for the occasion, but I might have gotten carried away
It's more fun to be with a lot of people!!
At least, more than to be alone with the one I hate!!
Shiramine! So you really came!
W-Well, yeah! I did promise.

That yutaka suits you, Shiramine.
Thank you, yours too
Okay, let's try some booths, and then we'll go take our places
Ah.
It's been a while since my last festival
It was your idea, right, Machida? Thank you, really
Ah.
The fireworks are starting

わぁ…
Wah...
きゅっ
You're impossible
Kuro-sawa
きゅ.
It's really strange
There are so many people around
And yet it all feels so distant

Thank you.. for inviting me tonight
Next time we should come just the two of us
Stupid!!
I wasn't thinking that!
I'm glad the fireworks are this loud.
